

B45 SENS —

BARiL

STYLE × FUNCTION

The SENS Collection will seduce you with the SENSuality of its design. The very harmonious lines of this faucet are consistent with the current round-square trend. In addition to being pleasant to touch thanks to its ergonomic shape, its modern design with softer and warmer curves fits as much with a large square sink as it does with an oval classic washbasin.

Single hole lavatory faucet,
drain not included

BARiL

STYLE × FUNCTION

Flawless finish

Multiple finishes available to give a personal touch to your faucet. Made with best technologies available

Refined design

This modern but sensual design with soft and warm curves fits in most of the decors

European cartridge

Made with high performance ceramic, this cartridge is amongst the most durable on the market

Adjustable aerator

Allows adjustments in the water stream's direction by the touch of a finger

Streamlined look

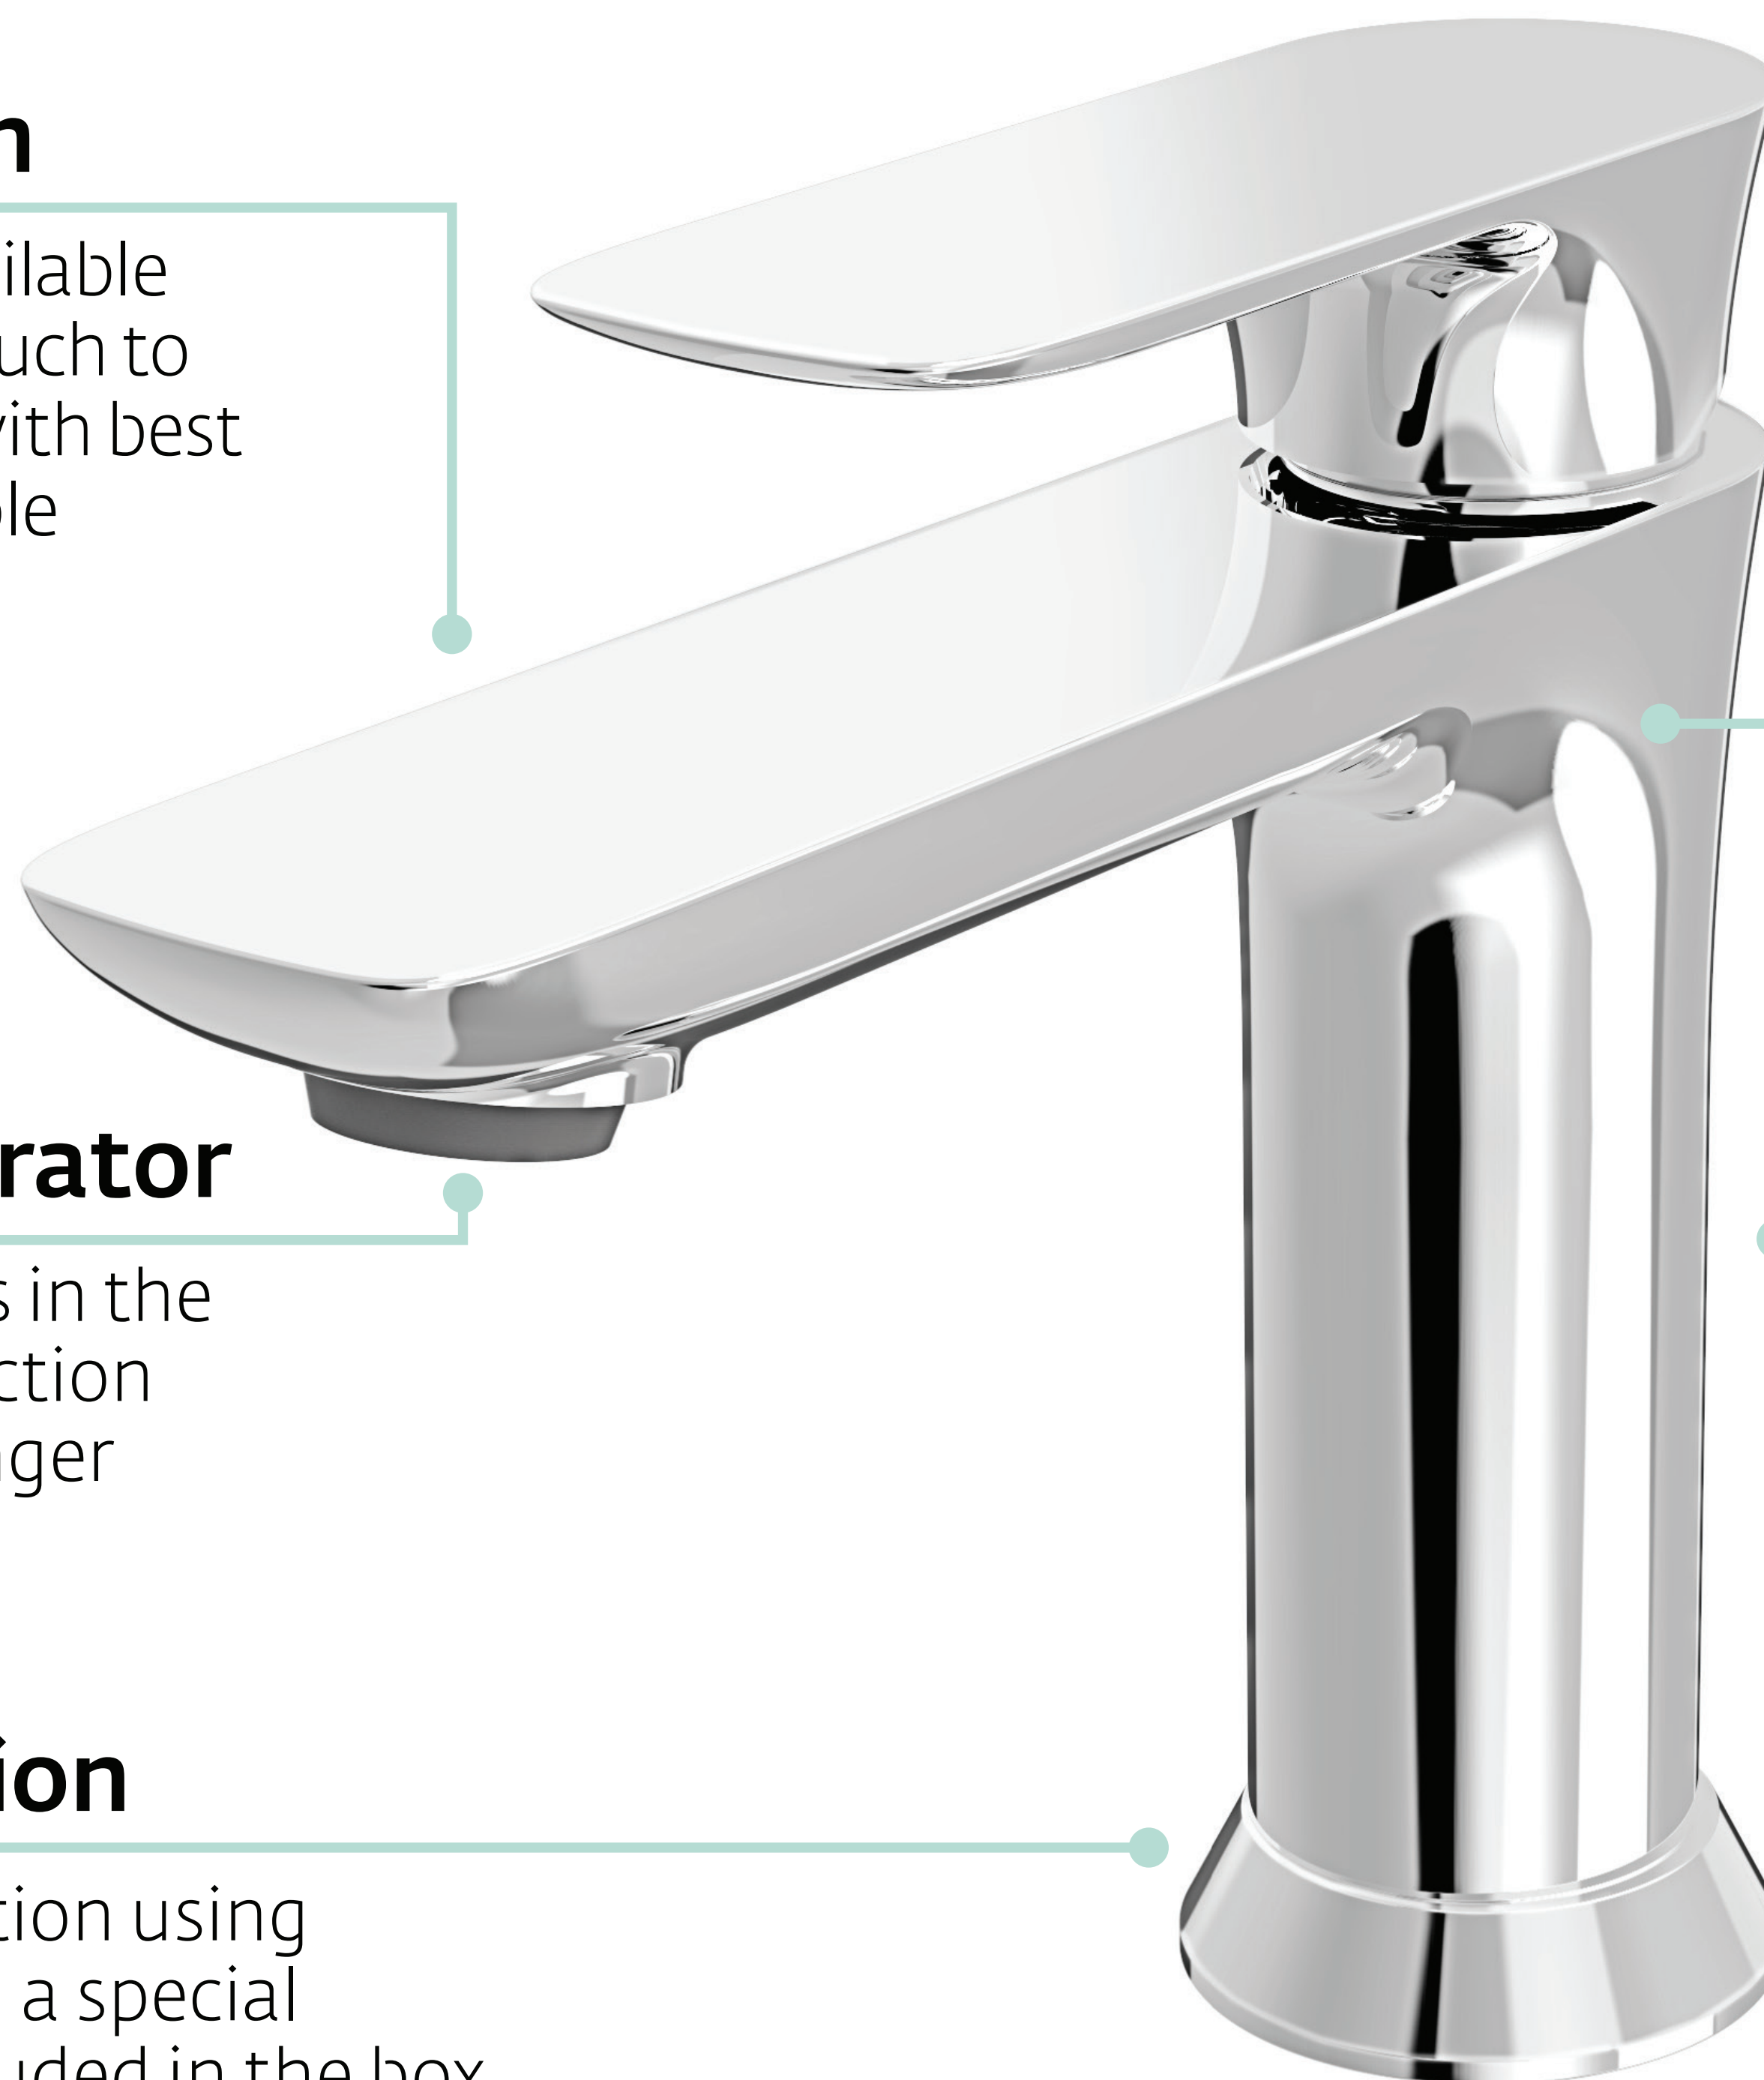

BARiL uses push-button drains, therefore eliminating the need for an unsightly rod (drain to be ordered separately)

Easy installation

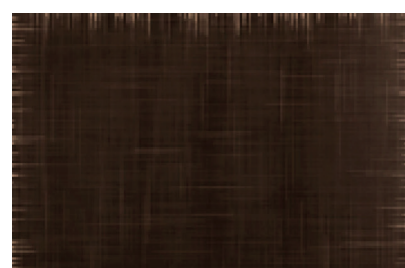

Very sturdy installation using a threaded rod with a special tightening tool included in the box

High quality material

BARiL faucets last longer because they are forged of solid brass thicker than average

Adjustable Aerator

BARiL
STYLE × FUNCTION

Our easy-to-clean German-made swivel aerator lets you direct the flow where you want it. Simply rub this soft silicon aerator with your finger to clean it, and continue to enjoy its perfect crystal-clear stream. No more splashing!

Ecological Options

BARiL is supporting the environment by offering options to reduce the water flow thereby economising your water usage

Attention to Detail

BARiL faucets are designed with both style and function in mind. The perfect alignment of moving parts like the handle versus the body, is only one example of our dual design thinking.

Dimensions:

- Model: B45-1010-00L-xx
- Faucet height: 6-1/2"
- Aerator clearance: 4-3/4"
- Spout reach: 5"

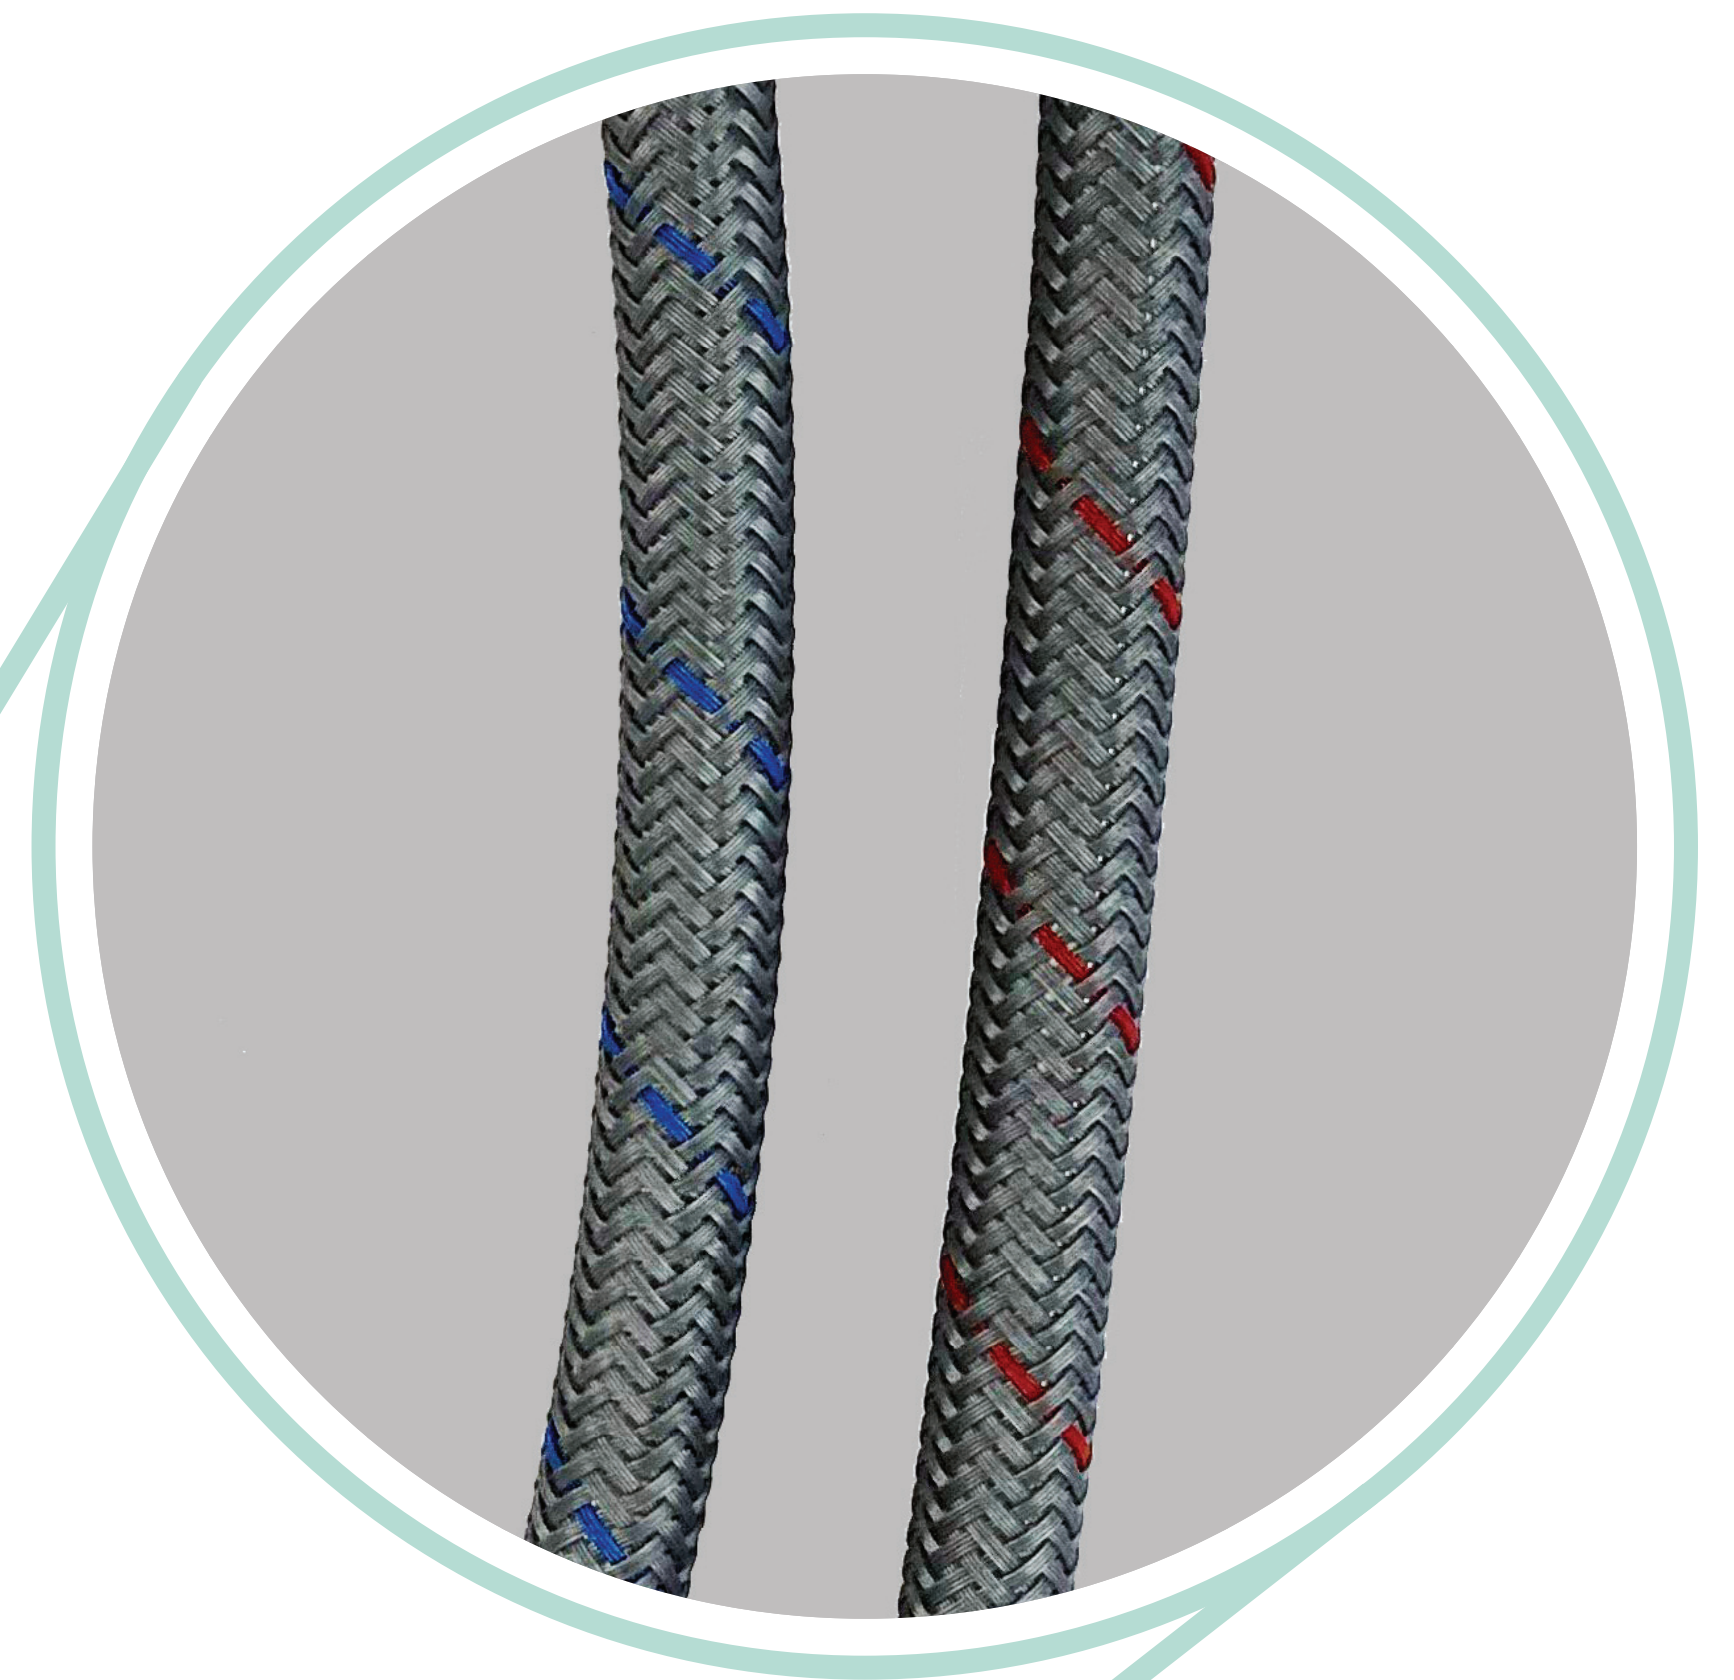

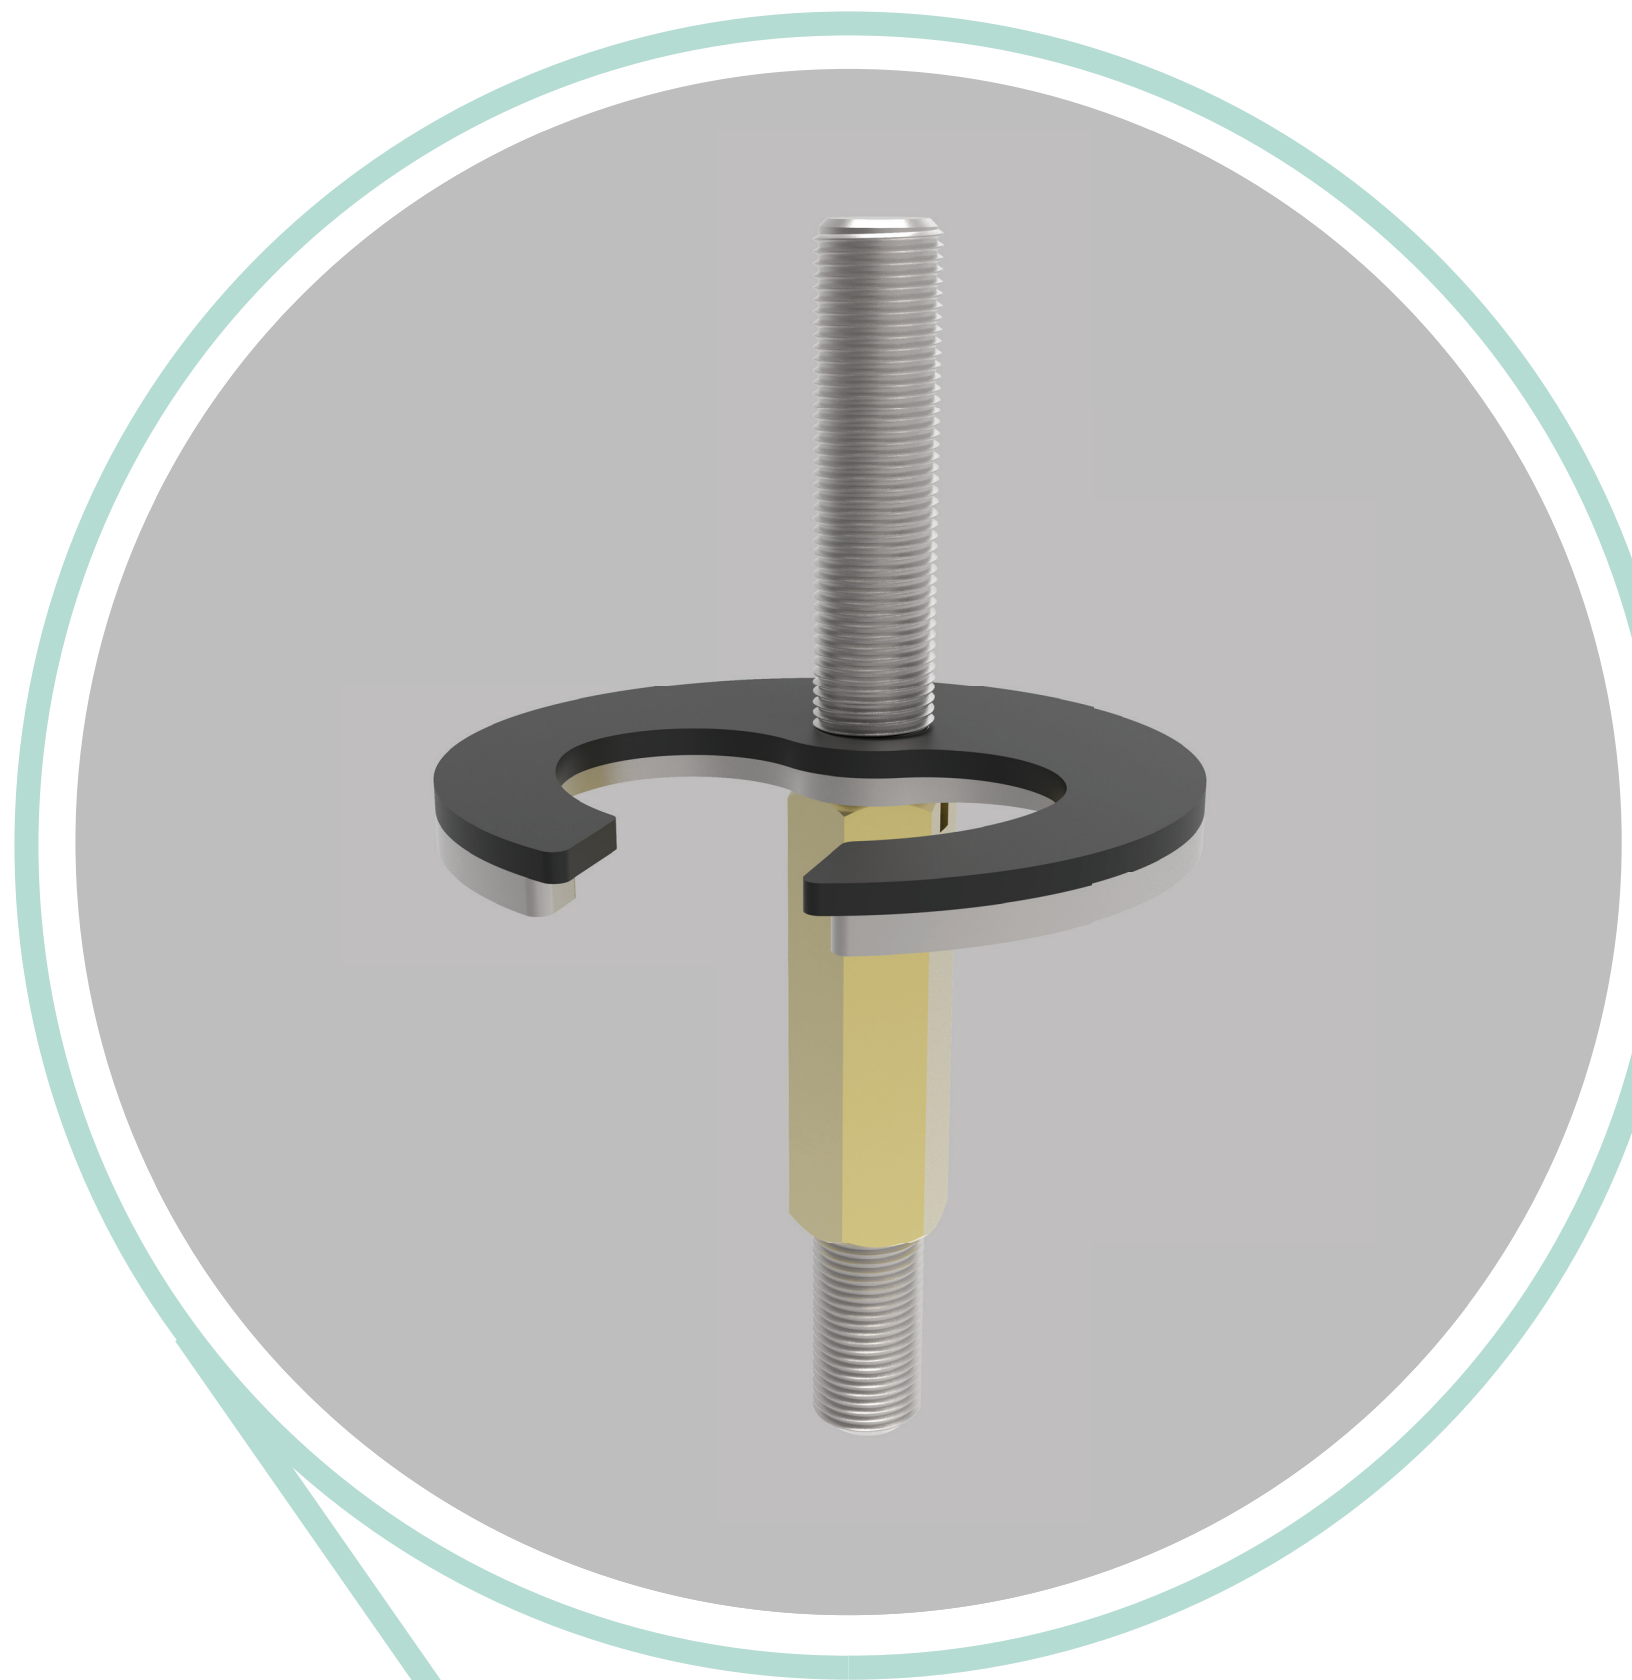

Easy installation —

Very sturdy installation using a thick threaded rod and a special tightening tool included in the box; easy to tighten, even with minimal space behind the lavatory.
