STYLE × FUNCTION

Flawless finish

Multiple finishes available to give a personal touch to your faucet. Made with best technologies available

Adjustable aerator

Allows adjustments in the water stream's direction by the touch of a finger

Swivel spout

This integrated swivel mechanism allows to reach every area of the sink

European cartridge

Made with high performance ceramic, this cartridge is amongst the most durable on the market

Refined design

Timeless slender tubular lines with very good ergonomics

Streamlined look

BARiL uses push-button drains, therefore eliminating the need for an unsightly rod (drain to be ordered separately)

High quality material

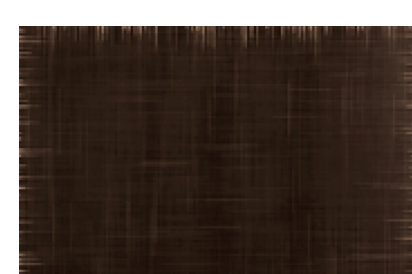

BARiL faucets last longer because they are forged of solid brass thicker than average

Easy installation

Very sturdy installation using a thick threaded rod with a special tightening tool included in the box
