BrassCraft®

BrassCraft®

The quality you trust. For the reputation you've earned.

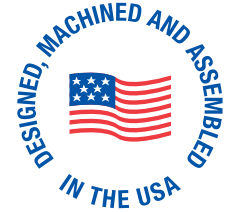

At BrassCraft, we put the same craftsmanship into our products that you put into every job you do. Which is why for the past 70 years, we've worked diligently to bring you the best parts for the job. And our lineup of PEX water stops is no exception. They're designed to meet your unique installation needs, and all have the solid, precision-crafted quality you can feel.

With more than a billion BrassCraft stops installed around the world, they're your perfect choice when reputation and dependability matter most.

KT™ Series 1/4 Turn Ball Stops

- Precision-machined brass ball provides smooth on-off operation
- Blow-out proof, plated stem ensures safe, reliable performance
- 100% leak tested to ensure reliable, leak-free performance
- For use in recirculation systems

G2™ Series 1/4 Turn Stops & One-Piece Supplies

- Machined one-piece brass body provides strength and durability
- One-piece shut-off mechanism provides smooth on-off operation
 - 100% leak tested to ensure reliable, leak-free performance
- Engineered for harsh water conditions

Multi-Turn Water Stops & One-Piece Supplies

- Machined one-piece brass body provides strength and durability
- Multi-turn operation controls water flow with only a few turns of the handle
- Repairable in field
