

5/8" x 1300' 3-in-1 Pull Line Measuring Tape

Part number PMT1300
Category number 6012
UPC 781002823384

3-in-1 Polyester Pull Line provides line threading, tape measuring, and winch line all in one product. It is a pre-lubricated polyester pull line that will reduce friction levels and eliminate duct cutting. It is a lightweight tape that is easily blown through conduit or inner ducts and has a lower elongation which reduces pulling time, increases safety for workers, and prevents crushed capstans.
