A diagram illustrating the installation of a sink. A brown rectangular block represents the countertop. A grey U-shaped channel is positioned around the sink's base. A metal clip is shown securing the U-channel to the underside of the countertop. A screw is used to tighten the clip. A line of grey material, labeled 'Silicone Caulk (not furnished)', is shown being applied to the joint between the sink and the countertop. The sink itself is shown as a curved line on the right side of the diagram.
