33.0-in. x 18.94-in. Polar White Granite Double Bowl Low-Divide Kitchen Sink. Maris sinks are equipped with deep capacity bowls. The double bowl design allows you to multi-task with ease, while the low divide creates a larger single bowl perfect for cleaning oversized cookware and bakeware. With our easy-to-use integrated ledge system, you'll accomplish more with your sink while making the most of your surrounding counter space. Our integrated antimicrobial Sanitized technology helps reduce odors and ensures safe protection against bacteria and mildew in your sink. The rear drain maximizes the usable surface of the bowl and creates extra cabinet space beneath the sink. Maris granite sinks are scratch-resistant, fade-resistant, and impact resistant and will retain their new appearance for years.
