Item # USB, (USB) Universal Stud Snap Bushing

Universal Plastic Stub Bushings are used to protect wires from abrasion in metal studs. Due to their molded high-strength, non-conductive polypropylene construction, the USB allows for the installation of multiple cables through a single opening while providing a smooth wire pulling surface, Dottie's USB's can be used with power cabling, low voltage datacom, video and voice cables. Fits all standard pre-punched and field punched holes.

Universal Plastic Stud Bushing Snap-In.

Product Specifications

Category Number	6084
UPC Code	781002810315
Sort	1892
Material	Nylon
Size	3/8 in.

Packaging Specifications

Unit Quantity	25
Carton Quantity	1500
Unit (UM)	C

Package Length	10 in.
Package Width	6.80 in.
Package Height	1.5 in.
Package Weight	0.400 lb.
United Nations Standard Products & Services Code (UNSPSC)	39121312
