

Forged Steel Wire Crimper, Cutter, Stripper

The Forged Crimper with Wire Stripper/Cutter combines the most commonly used wire stripping sizes with a dedicated crimper and two cutters. Strips 10-18 AWG stranded wire and crimps 10-22 AWG insulated and non-insulated terminals and connectors. The forged design delivers a professional level tool you expect from Klein. Features a specially hardened wire cutter in the nose and a shear cutter below for copper and aluminum wire.
