

Safety Helmet, Vented-Class C, with Rechargeable Headlamp, White

Klein Tools Safety Helmets are engineered for optimal safety, comfort and fit. Compact, lightweight helmet design, with chin strap, allows to comfortably work in confined spaces and at-height applications. Patent-pending accessory mounts on front and back ensure optional Klein Headlamps attach securely — no straps needed! Padded and washable sweatband enhance comfort and fit. Optional Klein Tools Half face visors, full face shields and hearing protection can be mounted to these helmets.
