

Ironworker's Pliers Heavy-Duty Cutting

These Ironworker's Pliers twist and snip soft annealed rebar tie wire and cut ACSR, screws, nails and most hardened wire. The knurled jaws aid in easy twisting and turning. Hook-bend in the handle provides added grip and leverage. Unique handle tempering helps absorb the "snap" when cutting wire.

Specifications

Type:	Ironworker's Pliers	Application:	Soft Annealed Rebar Tie Wire, ACSR, Screws, Nails, and Most Hardened Wire
