

Ratcheting Data Cable Crimper / Stripper / Cutter, Compact

The Compact Ratcheting Modular Crimper/Stripper/Cutter provides fast, reliable connector termination for voice and data applications. This all-in-one tool, cuts, strips, and crimps CAT6, CAT5e, CAT3 and flat-satin voice cables. Its direct lateral crimp action provides more even, precise contact termination across all pins than ordinary indirect crimp tools. A compact, ergonomic design provides easy usage and storage.
