

STAINLESS STEEL TANK

10 YEAR LIMITED WARRANTY

EFFECTIVE:

For **10 Years**, Lochinvar warrants the heat exchanger and/or tank against failure due to defects in materials or workmanship. For the lifetime of the product, Lochinvar warrants the tank and/or heat exchanger against failure due to thermal shock. All parts are warranted for **1 year**. This limited warranty is in effect when the product is installed within the United States or Canada, provided it remains at its original place of installation.

Warranty coverage begins on the date of installation OR 60 days from the date of manufacture if installation cannot be verified. *Note: The date of manufacture can be determined using the Serial Number located on the silver rating label.*

WHAT IS COVERED:

In the event of a defect in materials or workmanship appearing during the limited warranty period, Lochinvar will repair, or at our discretion, replace any defective part, heat exchanger, or tank covered under this limited warranty. Any replacement part, heat exchanger, or tank will be warranted only for the unexpired portion of the original limited warranty period.

The heat exchanger and/or tank is covered by the manufacturer's pro-rated limited warranty against failure due to defects in materials or workmanship from the eleventh through the fifteenth year. If, after 10 years, a defect in materials or workmanship appears, Lochinvar will provide a credit towards the purchase of a replacement heat exchanger and/or tank. The amount of the credit provided is a percentage of the list price of the heat exchanger and/or tank based on the warranty year as indicated in the table below:

Years into Warranty	% of List Price
6	70%
7	60%
8	50%
9	40%
10	30%

Unless authorized by Lochinvar, any heat exchanger or tank must be returned to the factory for warranty determination at the owner's expense.

If an identical model is no longer available due to a change in law, regulation, or standard, Lochinvar will replace the product with one having at least the same capacity and input. In these instances, you will have the option of paying the difference between what was paid for the original model and the new model with the additional features, or receiving a refund of the portion of the purchase price allocable, on a pro-rata basis, to the unexpired portion of the limited warranty period.
