

Utile 60 in. Composite Direct-to-Stud Back Wall

Model number:	103422-312-505-000
---------------	--------------------

Dimensions:	59.625" x 1.125" x 80.125"	Installation:	Direct-to-Stud	Material:	Composite
-------------	----------------------------	---------------	----------------	-----------	-----------

MADE IN CANADA 

Standard Features:

- This back wall can be combined with two side walls to create an alcove shower installation or simply combined with a side wall for a corner shower installation
- Direct-to-stud installation
- Installs easily in just 1 day versus 3 days for standard ceramic tile
- Mistake-proof Ulok installation system allows you to perfectly align the panels, slip them together and lock them into place
- No tile or grout protective sealer required
- Solid, 1-piece wall panel: sturdy and durable allows for installation of grab bars and other accessories

Product characteristics:

- Direct-to-Stud Installation
- DIY Product
- Award Winner

Code Compliant:

CSA
