

Vinyl & Chain-Link Fencing Related Tools

Vinyl Cutting Circular Saw Blades

VCB1
Versatile 7-1/4 in. (184 mm) blade is a must have for portable circular saws.

VCB2EV
Big 10 in. (250 mm) circular blade fits most power miters for making ultra smooth cuts.

VCB3EV Carbide Tipped Teeth
Aggressive cutting 12 in. (305 mm) blade with carbide tipped teeth for easy cuts in fence post.

No. FTC1

CHAIN LINK FENCING TENSIONERS

- For easy one-person installation of chain link fencing
- Set of 2 universal chain link fencing tensioners accommodates T-section or round posts
- Claws hold fencing in position while attaching hog ring staples to posts

Malco by **EDMA**

No. FCP1

MULTI-PURPOSE FENCING PLIERS

- Combination hammer, wire tensioner, staple remover, wire cutter and splicer
- Two built in wire cutters
- Hammer face
- Claw to remove staples
- All steel body
- Vinyl cushion grips

No. SR1

500 FT. (152 m) STRING AND REEL

- High visibility string reel used for layout
- Polyethylene reel body with hand crank
- 500 feet of #18 Braided Nylon line

Chain Link & Vinyl Fencing Solutions

Vinyl & Chain-Link Fencing Tools

For over 50 years, Malco has been inventing better ways for professionals to work. Malco now offers a complete line of innovative chain link and vinyl fence hand tools designed to make the repetitive and labor-intensive functions of fence building easier, faster, more comfortable and much more precise.

Fencing Pliers - 8 in. (203 mm) and 10 in. (254 mm)

Malco's fencing pliers are available in a highly maneuverable 8-in. (203 mm) length or high leverage 10-in. (254 mm) model. Both pliers feature three serrated jaw areas for gripping, pulling or tying fence wire. Three built-in wire cutter locations ensure easy access for cutting up to 9-gauge (3.8 mm) chain link fence or tensioning wire. A compact, rounded nose allows either pliers to reach into tight areas. Textured handle surfaces offer sure control and durable hardened all-steel construction offer long, dependable service life.

Vinyl Rail Removal Tool

Anyone who has had to remove and rework vinyl fence rails knows the difficulty of performing this task without damaging the rail or post. The economical and work-saving Vinyl Rail Removal Tool from Malco Products is a reliable, safe and easy way to remove rails from vinyl post and rail fences fastened together with a series of notched tabs! This little tool is a must have for all installers.

- Blades are thin stainless steel with an angled lip for easy insertion between rail and post.
- A safety lanyard anchors the tool to prevent injury or loss of tool when extracting rail.
- Easy-to-spot yellow handles.

Catalog Number	Description	Length in. (mm)	Weight oz. (g)
FP1	8 in. Fencing Pliers	8 (203)	14 (397)
FP2	10 in. Fencing Pliers	10 (254)	20 (567)
VRR1	Vinyl Rail Removal Tool	5 (127)	6.72 (191)

Vinyl & Chain-Link Fencing Tools

Vinyl Fence PICKET and RAIL NOTCHERS

Designed specifically for use with vinyl fencing, Malco's fence picket and rail notchers make raised tabs in the end sections of vinyl rails and pickets. These louver-shaped tabs create a durable "lock" that prevents the rail or picket from pulling out of the openings.

- Durable, yet lightweight hardened steel frame
- Ergonomic Redline Handles with unique one-hand operation latch offer maximum compound leverage performance and natural fit and feel.
- Optimum compound leverage design aids in reducing user fatigue.
- Works in cold down to 40°F (4.4°C) and heat up to 120°F (48.9°C)

Compound leverage and exclusive Redline handles reduce the fatigue of repetitive motions.

Quickly lock rails and pickets in place.

Easily create 1/2" or 3/4" (13mm or 19mm) raised tabs on the job site.

The louver-shaped tabs create a durable lock that can withstand high winds and abrupt blows.

Commercial Grade Hog Ring Pliers with Magazine

Installs 9-Ga. (3.8 mm) collated aluminum rings or exclusive 9-Ga. (3.8 mm) collated steel rings. Easily secures 7-Ga. (4.5 mm) wire to 9-Ga. (3.8 mm) chain link fence.

- Easy loading, auto-feed magazine.
- Long handles for extra leverage and reach.
- Easy access to tension wire and fence.
- Use with HRA5 Aluminum Rings or HRS5 Steel Rings

Aluminum Hog Rings, 9-ga. (3.8 MM) Lightweight for Fast Installation

- Unique overlap clinch is twice as strong as closest alternative.
- 6061-T94 or 5052-H38 Alloy
- 25-piece loading strips with no sharp points are safe and easy to load.
- One 500 pack secures 1000 feet (305 m) of tension wire spaced at 24 in. (61 cm) intervals.

Galvanized Steel Hog Rings, 9-ga. (3.8 MM) Strong and Weather Resistant!

- Unique overlap clinch is twice as strong as closest alternative.
- Class 3 Coating Per ASTM A641
- 25-piece loading strips with no sharp points are safe and easy to load.
- The only collated 9-Ga. steel hog rings on the market.
- One 500 pack secures 1000 feet (305 m) of tension wire spaced at 24 in. (61 cm) intervals.

Picket & Rail Notcher
Creates 1/2 in. (13 mm) wide, 7/8 in. (22mm) deep, louver-shaped tabs in vinyl fence pickets and rails, locking the pickets and rails in place.

Rail Notcher
Creates 3/4 in. (19 mm) wide, 7/8 in. (22 mm) deep, louver-shaped tabs in vinyl fence rails, locking the rails into post openings.

Chain-Link Fencing Tools

- RRW6
OFFSET RATCHETING WRENCH**
- Easy access switches for changing direction.
 - Offset design keeps fingers away from work.
 - Two reversible ratcheting 12-point socket heads.
 - Accommodates 1/2 and 9/16 in. hex fasteners.
 - Socket openings accommodate any fastener length.
 - No loose sockets and fewer wrenches needed.

- HRP1
HOG RING PLIERS
CHAIN LINK FENCE STAPLER**
- Lightweight with spring actuated action
 - Comfortable rubber-gripped handle
 - Stop guide ensures proper hold on the hog ring
 - 2 built-in wire cutters with 11-ga. (3 mm) capacity
 - Compatible with HR1 5/8 in. (16 mm) and HR2 3/4 in., (20 mm) hog ring staples.

- HRP2
HOG RING PLIERS
CHAIN LINK FENCE STAPLER
WITH MAGAZINE**
- 50-staple magazine capacity
 - Easy removal of magazine for less storage space
 - 2 built-in wire cutters with 11ga. (3 mm) capacity
 - Compatible with HR2 3/4 in. (20 mm) hog ring staples

- HRP4
HOG RING PLIERS
CHAIN LINK FENCE STAPLER
WITH MAGAZINE**
- Easy fit screw for fast removal of magazine (less storage space)
 - 50-staple magazine capacity
 - Compatible with HR4 1-3/16 in. (30 mm) hog ring staples
