PRISON CELL FLOOR DRAIN

Specification: MIFAB® Series F1160 Prison Cell floor drain with lacquered cast iron body and anchor flange, weepholes, 3" or 4" no hub side outlet, integral deep seal trap with cleanout plug and adjustable (specify material finish) strainer with T-20 torx and pin security screws. (For membrane floors, use MIFAB F1160-C Series.)

Function: Used in prisons, detention and any other areas that require a drain with security screws to prevent access and tampering. Side outlet with integral deep seal trap permits easy installation in areas with limited installation space.

PARTS:

F116(*)
(*) Denotes Outlet Size (3" or 4")
