Read this important safety information before using this Price Book.

The parts pricebook is a catalog of replacement parts available for MrSteam residential steam generators, commercial steam boilers and towel warmers. It is not a complete catalog. Please contact MrSteam Technical or Customer Service if you do not find the part you require.

MrSteam products may contain live electrical or plumbing components. Any diagnostics, service or repair of any MrSteam electrical product must be accomplished by a qualified and licensed electrician.

Any diagnostics, service or repair on any MrSteam plumbing components must be accomplished by a qualified and licensed plumber.

This parts price book contains diagrams, information and descriptions for identifying parts and prices. No diagrams, information or descriptions are intended for the installation, maintenance, diagnosis, service or repair of any MrSteam product. All installations, operations and maintenance must be performed by a qualified and licensed electrician or plumber when using the appropriate installation, operation and maintenance manuals. These manuals are supplied with the product.

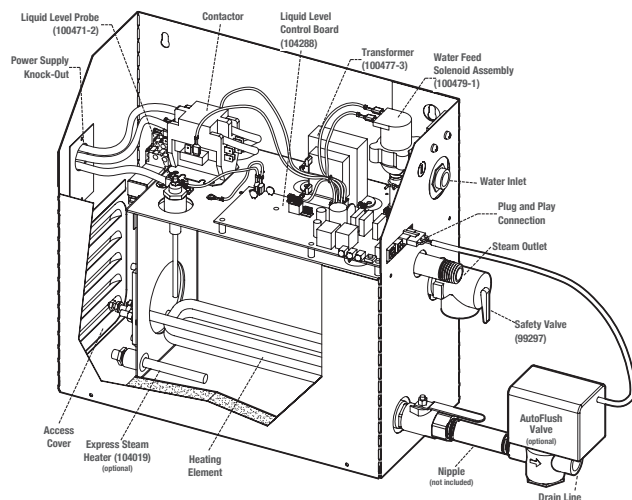

Installation, Operation and Maintenance Manuals are available at no charge from MrSteam or can be downloaded from the MrSteam web site www.mrsteam.com.

Please contact MrSteam Technical or Customer Service Representatives with any questions or assistance.

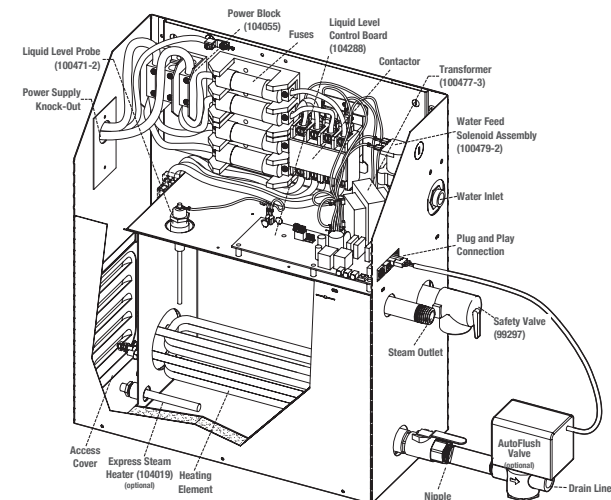

All drawings are for illustrative purposes only. Some components may be omitted or altered for clarity. All installations, services, diagnostics and repairs are to be performed by qualified and licensed electricians and plumbers only and in accordance with the appropriate Installation, Operation & Maintenance Manual. Installations, services, diagnostics and repairs by unqualified persons or failure to use MrSteam parts may result in property damage, serious personal injury, or death. Product prices and specifications are subject to change without notice.
