Material Number 9169350, Fitting Plug Ftg - Wrot, 616

The plug features a male solder end. The fitting provides a means of closing off or ending a portion of a line. It is designed to fit inside a solder cup. Please refer to NIBCO technical data sheets and catalogs for engineering and installation information. In addition to its inherent qualities of beauty, durability and low maintenance, copper's reusability makes it an ideal application in sustainable projects. NIBCO® copper fittings are manufactured in an ISO 9001 certified facility, and
