Material Number B213850, Hy-Set Hanger - C - Cast, 724-5-A

The hy-set hanger features a solder cup and mounting ears. The fitting provides a means of securing pipe. The ears allow the fitting to be secured to a ceiling support using a nail or screw. Please refer to NIBCO technical data sheets and catalogs for engineering and installation information. In addition to its inherent qualities of beauty, durability and low maintenance, copper's reusability makes it an ideal application in sustainable projects. NIBCO® copper fittings are manufactured in an
