Material Number H033050, DWV Trap Adapter M x SJ - Wrot, 904-7

The trap adapter features a male NPT thread and a slip joint connection. The fitting provides a means for adapting a threaded connection to a slip joint connection. Please refer to NIBCO technical data sheets and catalogs for engineering and installation information. In addition to its inherent qualities of beauty, durability and low maintenance, copper's reusability makes it an ideal application in sustainable projects. NIBCO® copper fittings are manufactured in an ISO 9001 certified facility,
