**Material Number I057350, 5807-2-LT 90° Long Turn Street Elbow Spg x H - ABS DWV**

The ABS DWV 90-degree long turn street elbow features a spigot x hub connection and long radius and is used to change the direction of flow. Please refer to NIBCO technical data sheets and catalogs for engineering and installation information. Acrylonitrile-Butadiene-Styrene (ABS) is resistant to a wide variety of materials ranging from sewage to commercial household chemical formulations and can be exposed to a wide temperature span. ABS is lightweight, safe to handle and easy to install. ABS
