The ABS DWV 45-degree street wye features a spigot x hub x hub connection and allows for a connection to be made in continuous pipe line and branch out to a different direction.

Please refer to NIBCO technical data sheets and catalogs for engineering and installation information. Acrylonitrile-Butadiene-Styrene (ABS) is resistant to a wide variety of materials ranging from sewage to commercial household chemical formulations and can be exposed to a wide temperature span. ABS is lightweight,
