Material Number I113070, 5811-14-V Test Tee H x H x FIPT - ABS DWV

The ABS DWV test tee features a hub x hub x female NPT thread connection and provides a means for testing the tightness of the system by assessing potential leakage. Please refer to NIBCO technical data sheets and catalogs for engineering and installation information. Acrylonitrile-Butadiene-Styrene (ABS) is resistant to a wide variety of materials ranging from sewage to commercial household chemical formulations and can be exposed to a wide temperature span. ABS is lightweight, safe to handle
