Material Number I178500, 5818 Plug MIPT - ABS DWV

The ABS DWV plug features a male NPT thread connection to fit inside a fitting to seal the end of a pipe line or a location where future additions may be made to the piping system. Please refer to NIBCO technical data sheets and catalogs for engineering and installation information. Acrylonitrile-Butadiene-Styrene (ABS) is resistant to a wide variety of materials ranging from sewage to commercial household chemical formulations and can be exposed to a wide temperature span. ABS is lightweight,
