Material Number I271000, 5835 Double Sanitary Tee Hub - ABS DWV

The ABS DWV double sanitary tee features all hub connections and a flowing sweep to aid in the evacuation of waste and used fluids. Please refer to NIBCO technical data sheets and catalogs for engineering and installation information. Acrylonitrile-Butadiene-Styrene (ABS) is resistant to a wide variety of materials ranging from sewage to commercial household chemical formulations and can be exposed to a wide temperature span. ABS is lightweight, safe to handle and easy to install. ABS DWV is
