Material Number K018200, 4801-7 Trap Adapter HXSJ PVC

The PVC DWV trap adapter features a hub x slip joint connection and provides a means for adapting a solvent weld connection to a slip joint connection. Please refer to NIBCO technical data sheets and catalogs for engineering and installation information. Polyvinyl chloride (PVC) is the most frequently specified of all thermoplastic materials because of its light weight, durability, and cost-effectiveness. PVC DWV is easy to install and is joined by solvent cementing or threading. PVC fittings
