Material Number NF74008, PF413-Y - Check Valve - Bronze, 200 PSI, Y-Pattern

The bronze horizontal swing check valve features a renewable seat and disc. The seat disc is available in PTFE. The Y-pattern check valve is a regrinding type. The NIBCO® Press System® is user friendly, quick and easy to install. When properly crimped a unique "N" witness mark is clearly visible. Please refer to NIBCO technical data sheets and catalogs for engineering and installation information. NIBCO® Press System® applies the proven performance of press technology to NIBCO valves and
