Material Number NJ2QA08, S-221-A - Strainer - Bronze, Wire Mesh Screen, Tapped Cap with Plug

The strainer is a "Y" type with a branch angled off the flow path. The strainers are equipped with solder end connections for easy installation. It features either a tapped cap with blow-off plug for screen maintenance. Please refer to NIBCO technical data sheets, chemical resistance guides and catalogs for engineering and installation information. Choose NIBCO® valves for the most specified, versatile and economical valve option in commercial, mechanical and industrial applications. NIBCO®
