The NIBCO® ball valve provides ease of operation with quarter-turn (90 degrees) open to close. The lead-free ball valve provides bubble-tight shutoff at 600 PSI. Please refer to NIBCO technical data sheet, valve selection guides and catalog for engineering and installation information. Choose NIBCO® valves for the most specified, versatile and economical valve option in commercial and residential applications. NIBCO® valves are backed by the NIBCO INC. 5-year 125% limited warranty.
