

Plastic Pipe Cutters

Model PC-1375

Single Stroke Cutter **NEW**

- Patent pending, X-CEL blade for fast single stroke cutting. No ratcheting or twisting required.
- Extra large 1.375" O.D. capacity.
- Ergonomic grips on bottom handle are spaced at ½" increments to act as a quick pipe measuring scale.
- Replaceable, hardened steel cutting blade.
- Spring-loaded handles provide instant adjustment to any pipe size.
- "Burr-less" cutting operation provides a square cut.
