

About Continuum sink:

- Designed by Matthew Quinn, Continuum is a semi-recessed sink that utilizes the countertop hole cut-out inside the sink bowl.
- This design enables the striations of the counter material to visually continue through the sink, as shown in the photos below.

Provided template ships with sink.  
Always measure sink on-site to ensure cut-out accuracy.

Continuum Round

|                      |
|----------------------|
| MODEL 760            |
| 16.25" x 16.25" x 6" |
| SEMI-RECESSED        |
| SculptureStone®      |
| 26 lbs / 12 kg       |

| Finish                    | Part #    | MSRP    |
|---------------------------|-----------|---------|
| soft matte white          | MTCS760   | \$1,440 |
| hand-polished gloss white | MTCS760GL | \$2,175 |

| Options                                                            | Must be ordered at time of purchase                                                                                                                                           |
