UNIT 1: THE HISTORY OF THE UNITED STATES

LESSON 1: THE FOUNDING OF THE NATION

THE FOUNDING OF THE NATION

The United States was founded on the principles of liberty and justice for all. The Founding Fathers created a new nation that would be a model for the world.

The first step in the process of creating the United States was the signing of the Declaration of Independence in 1776. This document declared the colonies' right to be free from British rule.

The next step was the signing of the Constitution in 1787. This document established the framework for the new government.

The Constitution was signed by the Founding Fathers, including George Washington, John Adams, and Thomas Jefferson.

The Constitution was then ratified by the states, and the United States was officially founded.

THE CONSTITUTION

The Constitution is the supreme law of the United States. It defines the powers of the federal government and protects the rights of the citizens.

The Constitution is divided into three parts: the Preamble, the Articles, and the Amendments.

The Statue of Liberty is a symbol of freedom and democracy. It was a gift from France to the United States.

The Great Seal is the official emblem of the United States. It features an eagle with a shield on its chest.

The Great Seal is used on official documents and is a symbol of national unity.

The Great Seal is also a symbol of the United States' commitment to liberty and justice for all.

The Great Seal is a symbol of the United States' history and its role in the world.

The Great Seal is a symbol of the United States' values and its commitment to the future.

The Great Seal is a symbol of the United States' identity and its place in the world.

The Great Seal is a symbol of the United States' pride and its commitment to the world.

The Great Seal is a symbol of the United States' strength and its commitment to the world.

The Great Seal is a symbol of the United States' honor and its commitment to the world.
