LGB base insulation part numbers have changed. The front and back insulation set, Item 9, is replaced with the following part numbers. Note: Both a front and a rear insulation piece must be ordered now, instead of a set.

Also on the bottom of page 261 in the lower right of Table 2, the K's are replaced with an E and the J's are replaced with a D.

On the larger bases, 2 pieces make up the front insulation and 2 pieces make up the rear insulation.

D base = A front and rear plus an E front and rear

E base = B front and rear plus an E front and rear

F base = A front and rear plus a D front and rear

G base = B front and rear plus a D front and rear
